Writesonic

Writesonic is an AI platform that helps brands optimize content for both Google search and AI chatbots like ChatGPT and Gemini.

Link: <https://writesonic.com/>

The screenshot shows the homepage of the Writesonic website. At the top, there is a navigation bar with links for 'Platform', 'Resources', 'Pricing', 'Request a Demo', 'Sign In', and a 'Get Started' button. The main headline reads 'Track & Boost Your Brand's Visibility in AI Search'. Below this, a sub-headline says 'See exactly how your brand performs in AI search results. Then take precise actions to boost visibility—create new content, refresh existing pages, or reach out to sites that mention competitors but not you.' There are two buttons: 'Start Free Trial' and 'Book a Demo'. On the right, there is a callout box titled 'AI Visibility' showing a gauge at 32%. Below it, there is a chart titled 'Market Position' comparing 'Competitor A' (28%) and 'Competitor B' (45%). A small vertical text on the right edge says 'Free SEO Session: Writesonic x SEJ'.

VEED

Browser-based, AI-powered video editing suite that lets creators script, subtitle, dub, avatar-ify, and publish pro-level content fast

Link: <https://veed.io/>

The screenshot shows the VEED website homepage. At the top, there's a navigation bar with the VEED logo, dropdown menus for Product, Use Cases, AI, Resources, and Pricing, and buttons for Request a Demo, Login, and Sign Up. Below the navigation is a large, bold headline: "CREATE PRO LEVEL VIDEOS IN THE BLINK OF AI". Underneath the headline is a subtext: "Make better videos faster. AI-powered video creation for teams". A prominent blue button labeled "Start for free →" is centered below the subtext. To the right of the button, small text indicates "* No credit card required" and a rating of "Rated 4.6 out of 5 on G2". Below the main headline, there's a row of icons for various features: Auto Subtitles, Brand Kit, Dubbing, Text to Video AI, AI Clips, AI Avatars, and Recorder. A subtext below these icons says "Add subtitles in just a click with our Auto Subtitle Generator". A video thumbnail showing a person's face is displayed below the feature row.
